

Eicher to set up 2nd Enfield plant in Tamil Nadu

Premium bike manufacturer and part of Eicher Motors, Royal Enfield has decided to raise capacity by setting up a greenfield facility at Oragadam near Chennai. The facility will manufacture 150,000 motorcycles per annum and this would go up further in phases. The company, which has earmarked ₹350 crore towards this facility, has signed an MoU with the Tamil Nadu government for 50 acres at SIPCOT Industrial Estate.
