Safe harbor:

The proposed management discussion and comments thereof may include forward-looking statements. Forward-looking statements are statements that concern plans, objectives, goals, strategies, future events or performance and underlying assumptions and other statements that are other than statements of historical fact. All forward looking statements are subject to risks, uncertainties and assumptions that could cause actual results of operations and financial conditions to differ materially from those contemplated by the relevant statement. All Conference Call Participants should not place undue reliance on these forward-looking statements.
