MOTOVERSE 2026: 72 HOURS OF HIGH-OCTANE MOTOCULTURE

- International electronic music sensation Lost Frequencies to headline Motoverse 2026.
- Slide School Cup India, Himalayan Spirit, Malle MotoPolo Championship, and a host of riding experiences

Chennai, November 16, 2026: The engines are revving, the beats are building, and Goa is getting ready for its biggest celebration of Moto-Culture! With dirt-flying competitions, offbeat challenges, rides across Goa and a whole world of experiences beyond motorcycling, the familiar Hilltop is set to level up to an all-new playground.

Royal Enfield Motoverse 2026 has announced global electronic music sensation **Lost Frequencies** as its international headliner. The Belgian hitmaker will bring his chart-topping sound to the MotoSonic Main Stage, joining an electrifying line-up of artists for three days of music, motorcycling and adventure.

Belgian DJ and producer **Félix De Laet**, known worldwide as **Lost Frequencies**, has built a global following with hits including *Are You With Me*, *Reality* and *Where Are You Now*, his BRIT Award-nominated collaboration with Calum Scott. His signature melodic house sound has taken him to some of the world's biggest music stages, including Tomorrowland, Coachella and Lollapalooza. Now, he is bringing that energy to Goa, joining a powerhouse line-up that includes Indian electronic duo **Tech Panda x Kenzani**, who will deliver a specially curated live set, alongside some of the country's most exciting names across rock, indie, hip-hop and electronic music.

Across three days, the Main Stage and Community Stage will bring together international hitmakers, homegrown favourites and some of India's most exciting independent artists:

MotoSonic Main Stage:

- **Day 1 | November 27:** Aksomaniac, Sanjith Hegde and Farhan Akhtar
- **Day 2 | November 28:** MHR ft.|EFY|AMANI|KL10|EMZIII|EKAN, Reble and Lost Frequencies
- **Day 3 | November 29:** The Think Floydian, Lifafa LIVE and Tech Panda x Kenzani LIVE

Community Stage:

- **Day 1 | November 27:** The Sarah Black, Donn Bhat and OG Shez
- **Day 2 | November 28:** Salt Rock, Farhan Khan and Komorebi feat Goya
- **Day 3 | November 29:** Rushaki, Curtain Blue and Suggahunny

Same Hilltop. An All-New Playground.

As Royal Enfield celebrates 125 years of Pure Motorcycling, Motoverse brings together riders, artists and communities united by a shared love for the open road. This year's edition will take that spirit to the next level, packing 72 hours with fresh adventures, unexpected experiences and plenty of reasons to venture beyond the familiar.

Here's what awaits at Motoverse 2026:

- **Racing, Riding & All Things Adrenaline:** Slide School Cup India will bring the thrill of flat-track competition, while Himalayan Spirit will put adventure riding skills to the test. Slide School, Drift School, and the GRRR Stunt Show will keep the dirt flying and the excitement high.
- **MotoPolo & MotoShambles:** The MotoPolo Championship by Malle London will bring an unconventional twist to competitive riding, while MotoShambles will serve up a gamut of challenges, from the trials course to and Assembly Wars to Silent Sprint, Maze Chase and more.
- **Beyond the Hilltop:** Goa will become part of the playground with the Bike Shed x Royal Enfield Motoverse Tour, Malle Mile Ride, Ride and Recon with Maj. Arjun Galoth, Ride & Surf, Ride & Yoga, rides to Mayem Lake and Fontainhas, and more journeys designed to explore the state on two wheels.
- **MotoReel:** From historians Adil & Gordon May to Indian motorsport trailblazer CS Santosh to global names such as Bike Shed, Deus Ex Machina and Malle London, MotoReel will bring the stories, ideas and people shaping motorcycling culture into the spotlight.
- **The Unexpected Is Part of the Plan:** Shake up a cocktail with Mix It Up with Mendi, paint a coconut, join a drum circle or build new skills with Capoeira, Kalaripayattu, and MMA self-defence. Community favourites including Moto Panja, Grip Grid and the Cleanest Bike Competition will add a little friendly rivalry, while MotoPaw will give our fur companions their own place in the action.

There will be plenty of reasons to come to Motoverse, and even more to stay a little longer. Motoverse is all about making room for new experiences: from the first time on a dirt track, a ride through Goa, a brilliant new band or an unexpected discovery at a workshop. For three days, Hilltop will bring together old friends and new faces, seasoned riders and first-time visitors, all sharing in the adventure, excitement and unmistakable spirit of Moto-Culture.
