ALCHEMY OF A CLASSIC: THE ROYAL ENFIELD 125TH ANNIVERSARY EDITION HYPERSHIFT CLASSIC 650

Royal Enfield, global leader in the mid-size motorcycle segment (250cc-750cc), is adding another stylish tribute to its commemorative celebrations with the 125th Anniversary Edition Hypershift Classic 650.

Limited to just 125 units per key region globally, the anniversary edition has been created by a stunning, shade-shifting alchemy of heritage and modernity that blends 125 years of Pure Motorcycling into one singular machine.

Registrations are open from 2 PM IST on October 16, 2026 until the sale day - October 28, 2026. Customers can register their interest here. Deliveries will commence from November, 2026 onwards.

Retaining the Classic's signature teardrop fuel tank and nacelle headlamp, the limited edition draws inspiration from Royal Enfield's rich and storied colour palette across the decades. A brass base pays homage to the earliest Royal Enfield motorcycles of 1901, while deep tones and gleaming golds come together in a bespoke Hypershift finish that transforms between shades of red, green and gold as light moves across the motorcycle. A gilded 125-year crest, special side-panel badging and hand-painted pinstripes complete the tribute, reflecting the craftsmanship and attention to detail that have defined Royal Enfield across generations.

At the heart of this exclusive motorcycle is the proven 650 Twin platform, bringing together timeless design, mechanical simplicity and effortless twin-cylinder performance.

In India the 125th anniversary edition hypershift Classic 650 will be priced at ₹ 4,25,589 (ex-showroom)
