Mr. B Govindarajan
CEO-Royal Enfield & Whole Time Director-Eicher Motors Limited
Chennai

Dear BGR,

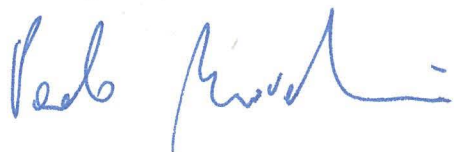

It's been a pleasure working at Royal Enfield and with you since Dec 2020. During this period, I have found immense satisfaction and joy in working with the very talented teams based in India & UK.

However, there comes a time when one needs to stop working in the corporate world and take retirement from active working life. My time has now come! With almost 4 decades of working in various organizations and at the age & stage of my life, I wish to return back to Italy. It helps me spend some time with my ageing mother and children.

I am immensely grateful for all the guidance, support and sense of belonging that I got during my satisfying stint with the company. I will remain available till 15th Dec and will leave for Italy in the subsequent week. I'll be happy to ensure a smooth handover to any successor identified and ensure that the Product Development team continues to deliver its best. My best wishes to you and the company for its continued success!

Thanking you,

Best regards,

(Paolo Brovedani)
Chief of Product Development-RE
